

Workshop 15-16 of February 2018
Proposal meeting: Secure Arsenic Free Water 4 India (SAFE)

During the past 15th and 16th of February an exciting workshop took place at the Technical University of Munich organized by the chair of Hydrology and River Management.

The aim was to finalize a proposal termed SAFE to be submitted to the Call: H2020-SC5-2018-2019-2020 under the topic SC5-12-2018. The workshop was composed of two parts. The first part aimed at presenting the Partners and their areas of research. The second part aimed at discussing remaining issues and finalizing a first draft of SAFE.

The workshop was considered a success and SAFE's final proposal was submitted on the 27.02.2018 at 14:18:50 CET!

List of SAFE partners
