

Informational Meeting

Field Trip to the Adige River Basin

Course of Water Management at the Catchment Scale

Dear Students,

We would like to invite all interested master's students to attend the informational meeting about the **Field Trip to the Adige River Basin**.

The field trip takes place from April 1st to April 5th, 2019 in Trento and Ossana (Italy) and has a cost of 75 €.

The meeting will be held at the **Room 2601** on the **9th of November 2018** at **9:30 hrs**. We will cover information regarding to the activities and program of the trip, as well as scientific topics and assignments for participants .

We remind you that this activity is part of the course "Water Management at the Catchment Scale" (offered in the Summer Semester). Therefore students from the Master in Environmental Engineering with focus on **Water Resources Management** (field of study 2) will have preference in the selection process.
